Recreation Guidelines:

Northeast Passage – Durham, NH (603)-862-0070; <http://www.nepassage.org/>

Mission: to create an environment where individuals with disabilities can recreate with the same freedom of choice, quality of life, and independence as their non-disabled peers by developing, delivering, and evaluating innovative barrier-free recreation and health promotion programs. Guiding principles: promoting client independence through education and problem solving, creating opportunities, and collaborating with others to create a strong network of accessible recreation.

U.S. Access Board <http://www.access-board.gov/recreation/index.htm>

Recreation guidelines for **Amusement Rides, Golf and Miniature Golf Course, Swimming Pools and Spas, Boating Facilities, Fishing Piers and Platforms, and Sporting Facilities** <http://www.access-board.gov/recreation/guides/index.htm>

National Center on Accessibility <http://www.ncaonline.org/> A cooperative project between the National Park Service and Indiana University to provide information and

technical assistance, primarily on recreation access. This link takes you to their research and resources page: <http://www.ncaonline.org/index.php?q=node/75>

National Center on Physical Activity and Disability <http://www.ncpad.org/>

The Center provides information and resources on physical activity to help people with disabilities find ways to become more active and healthier and on how to provide access to fitness centers, schools, recreation facilities, camps, and health and leisure services.

Removing Barriers to Health Clubs and Fitness Centers

<http://www.fpg.unc.edu/~ncodh/pdfs/rbfitness.pdf> Center for Universal Design

National Recreation and Park Association <http://www.nrpa.org/>

A national, non-profit service organization dedicated to advancing parks, recreation and environmental efforts that enhance the quality of life for all people.

Therapeutic Recreation Journal

<http://www.nrpa.org/content/default.aspx?documentId=511>

Wilderness Inquiry <http://www.wildernessinquiry.org/>

- A non-profit organization that focuses on getting people from all walks of life to personally experience the natural world. Wilderness Inquiry conducted a study for the Departments of Agriculture and Interior on ways to improve access for persons with disabilities to outdoor recreational opportunities made available to the public.

Accessible Travel Resources from Easter Seals Project Action

http://projectaction.easterseals.com/site/PageServer?pagename=ESPA_faq_accessible_travel_resources

Adaptive Sports and Recreation <http://www.adaptiveirc.org/index.html>

- A non-profit organization that provides the Adaptive Information Resource Center. This is a diverse, effective coordinated network of resources provided for children and adults with disabilities and their families.
